On May 6, 2012 I was being held in H-cell. Which is a two man cell, but there were three inmates in there at the time. We were all talking and joking around when the conversation took a wrong turn and became very heated very quickly. After exchanging words with another inmate, it became physical with this particular person. We exchanged blows for a couple of minutes. During this time, I was struck, lost my balance and fell backwards. I hit the back of my head on the corner of the bunk bed. As a result, I was knocked unconscious. During this time the individual Mr. Mario Ramsey continued to strike me with his fist and kick me in face. As a result of the altercation, I received two black eyes. My left eye was completely closed. I had a fractured nose and my entire face was completely swollen. I had my right front tooth knocked out, as well as two other teeth that were knocked loose. It has been a very long road to recovery for me. As a result of my injuries, I had to be fed through a feeding tube, because I could not chew my food. I had to have a dentist appointment in order to fix my mouth. My mouth is still not fixed, the County Jail is refusing to pay for my dental work in order to get my teeth fixed completely. I still have trouble breathing due to the fact that my nose was fractured. My face has never been changed due to the scars from my injuries.

Sheriff Lindy Pendergrass along with Lieutenant John Sellow that's over the whole Jail, refusing to pay for my dental work, along with my Surgery work I need done to my fractured nose so I can breath properly.

VI. Relief

STATE BRIEFLY EXACTLY WHAT YOU WANT THE COURT TO DO FOR YOU. MAKE NO LEGAL ARGUMENTS. CITE NO CASES OR STATUTES.

I am seeking pain and Suffering compensation as well as compensation for my Medical and dental work that I so desperately need.

Signed this 27th day of August, 2013.
